INTRODUCTION

This website should help the applicants for structural funds to select the programmes that are launched between 2007-2013. There is more than 32 billion Euro available in Romania for that period. All companies and governments that are planning investments should check the possibility for funding in Romania with Structural Funds of Structural Instruments. Visit the different sections under the menu above and learn about funding possibilities in Romania for your investments.

ROMANIAN CRISIS: PROPERTY INVESTMENT AND REAL ESTATE IN ROMANIA A PARADIGM SHIFT...THE ONES THAT ADAPT FIRST WILL BE THE WINNERS AFTER THE CRISIS

"So the owner of the land will receive money when he understands that the real value is 30%-40% smaller than last year, but the amount received will allow him to buy another property, or to make other investments, also 30% cheaper, the market has chance of restarting...."

"The ones that adapt the first will be the winners in the market after the crisis" says Freddy M.E. Jacobs, president of the Camera Imobiliare Belgia Romania. The companies have to shift their paradigms. Most companies are still doing what they have always done and they try to react on the cost side of the P/L. Basically they act like fire fighters.... Think of a Paradigm Shift as a change from one way of thinking to another. It's a revolution, a transformation, a sort of metamorphosis. It just does not happen, but rather it is driven by agents of change. Similarly, agents of change are driving a new paradigm shift today. The signs are all around us. We are shifting from a mechanistic, manufacturing, industrial society to an organic, service based, information centered society, and increases in technology will continue to impact globally. Let's put this into
