"I know Freddy from several years and I corresponded and worked with him in different occasions. He spent a lot of time in Romania, he visited me also in my city Timisoara and he seems to understand very well my country and my people. What makes Freddy special in my eyes can be resumed in three phrases: 1. He is a very friendly person; 2. He is very well informed in what he is doing and always giving you a professional attitude and/or response; 3. He is active, fast, efficient and organized. I feel totally comfortable to have Freddy as a friend and collaborator." December 29, 2008

Dear Sir,

05.06.2009

I am writing on behalf of National Council of Small and Medium Sized Private Enterprises in Romania to express our sincere appreciations for agreeing to participate as a speaker to our Conference on *Internationalisation of SMEs and crossing the barriers imposed by the global financial crises*.

I understood that your intervention was thought-provoking and stimulating and I know that all our participants were fascinated by what you had to say. The way you came across and your straightforward approach is exactly what we wanted for this joint Conference. I am also most grateful that you allowed our event to be a part of what I know was a tight professional programme both in Flanders and in Romania.

Looking forward to meeting you!
