

Wanit Fulgurit SRL located in Bucharest is a distribution company for building materials, responsible for Romania, Bulgaria and the Republic of Moldova. Wanit Fulgurit SRL is part of the Etex Group S.A. (Brussels, Belgium), a worldwide operating industrial holding company in the building materials market, consisting of more than 90 sister companies and about 14.000 employees.

The main role of Wanit Fulgurit SRL is the distribution of roofing, façade and interior products. The company works closely with its sister companies in Etex Group and market leaders of fibre cement products ("ETERNIT"), concrete tiles ("EURONIT") and clay tiles ("CREATON"), offering high quality products in each of the three product groups. Furthermore, all our production facilities are certified according to ISO 9001, ISO 14001 and ISO 18001 regulations.

The ETERNIT brand stands for fibre cement products such as corrugated sheets, slates, cladding and building boards. With more than 100 years of experience, ETERNIT is the leading brand name for fibre cement products in Europe. Innovation, research and development of new products and environmental friendly production processes are only one of the strong images of the ETERNIT brand.

CREATON is Germany's leading producer for clay tiles with more than 120 years of experience. The brand name CREATON stands for a wide product range, strong export orientation, environmental friendly production technologies and a consistent marketing image. The product portfolio consists more than 1.000 different interlocking and plain tiles. CREATON produces more than 160 million clay tiles per year in 11 factories.
