

ROSIM'S

Rosim's was founded in 1992 and started its activity in 1992 in the metallurgical field where it distinguished itself by remarkable results and as an acknowledgement of its activity it was rewarded with the second place in this field in 2000 and the third place in 2001.

In order to diversify its activity our company entered the sanitary field in April 2002, where it obtained the same results. Rosim's chose carefully its suppliers from the most renowned companies in the field. Rosim's is the direct importer for:

KOHLER – (SUA), the first world producer of ceramics, bathroom furniture, bathtubs and mixers.

LAUFEN – ROCA (Switzerland – Spain), the second world producer of ceramics and bathroom furniture and the number one producer of ceramics in Europe.

RIHO – (Holland – Czech Republic), simple and hydro massage bathtubs, shower enclosures, bathroom furniture, bath screens, hydro massage shower panels, atypical products, the second European producer of hydrotherapy, aero therapy and chromo therapy.

ROLTECHNIK – (Czech Republic) shower enclosures and shower trays, hydro massage shower panels, bath screens, atypical products of all sizes.

KLUDI – (Germany) the third world producer of mixers, mirrors and accessories.

VIEGA – (Germany) is the most important European producer of outfits, fittings, WC built-in cisterns and other accessories.

EUROCERAMICA – (Czech Republic) bathroom furniture.

EMCO – (Germany) bathroom accessories

AZP – (Czech Republic) bathroom accessories, special pieces for public spaces

ALCAPLAST – (Czech Republic) fittings, WC built-in cisterns and other accessories

All these products are ISO 9001, ISO 9002 and TÜV certified.

Recently (June 2008) our company has extended its portfolio also with ceramic tiles being importer and distributor of the following brands:

- COOPERATIVA CERAMICA D'IMOLA (Italy)
- NOVABELL (Italy)
- C.G.B. (Italy)
- HERBERIA (Italy)

- SAIME SAN PROSPERO (Italy)
- AZTECA (Spain)
- STARGRES and KONSKIE CERAMIKA (Poland)

In the following year Rosim's has extended its activity through a close collaboration with ARMATURA CLUJ and HER ARMATUREN – Austria, being present on the market with a new line of products (armatures, fittings, gas and water installations).

In sanitary field ROSIM'S had a continuously growing turnover, reaching in year 2006 the level of 11.526 mil. RON and in year 2007 at over 15 mil RON (over 30% growth). In 2008 the turnover decreased a bit under the turnover from 2007, mainly due to the relocation in the new built spaces, relocation which has been finalized in 4 months, and in 2009, despite the global economical conditions, Rosim's succeeded in metaining the same level as in 2008 (14 mil RON).

Rosim's Company is the unique distributor for Kohler, Riho, Roltechnik, Emco and Euroceramica products in Romania.

At all editions of Construct Expo Ambient exhibition and Romhotel exhibition where it has participated (2002-2007) Rosim's received a special award for the originality and the quality of the products. Also these products distinguished themselves of all the products exhibited in terms of quality and price from all the products exhibited at the fair.
